LOCKTON AFFINITY MOTORSPORTS

INSURANCE FOR ENTHUSIASTS, BY ENTHUSIASTS

At Lockton Motorsports, our minds are focused on keeping you safe, but in our hearts, we're car enthusiasts just like you. We're proud to be a part of the motorsports community and offer what you need to enjoy your hobby to the fullest.

HPDE INSURANCE
TRACK DAY COVERAGE

We protect you where you need it most—the track. As you may know, finding the coverage you need to protect yourself during HPDE events can be challenging. The vast majority of auto insurers have changed their policies to exclude coverage for these types of events.

We know what you need when it comes to HPDE insurance, because we're enthusiasts too. Go online and get the coverage you need to protect yourself during HPDE events.

SINGLE-EVENT POLICIES: We offer single-event policies that protect your vehicle while you are participating in an HPDE event. These policies are a great solution if you participate in five events or less per year.

MULTI-EVENT POLICIES: For enthusiasts more active in the hobby, we offer annual policy options that provide coverage at a discounted rate for multiple events in a year. Choose a package that matches your level of activity in HPDE events.

RACERS INSURANCE
STORAGE, TRANSIT, AND PADDOCK COVERAGE

We recognize how valuable your competition vehicles and race property are to you, and we know that affordable storage, transit, and paddock coverage is difficult to find. We've consulted with racers throughout the country to determine your needs and we offer an annual policy that protects your competition vehicle and equipment off the track. Our program covers your vehicle when it's stored, in transit, and in the paddock plus it covers your trailer, spares, tools, and race equipment.

We make it easy to insure your competition vehicle and equipment, and we offer you protection and peace of mind—all at an affordable rate.
