The Nominating Committee for 2016 would like to announce the following slate of officers for the Executive Council for the 2017-2018 term.

For VICE PRESIDENT: Tom Gorsuch, Space Coast Region

For SECRETARY: Cindy Jacisin, Chicago Region

Identifying individuals for the Executive Council Slate was a two-part process that required nine months of activity to complete. First, it was of paramount importance to identify both the current state of the club and what is anticipated to be the club needs for leadership in the near future. Second was the need to identify individuals possessing the characteristics and abilities to meet these anticipated future needs.

In order to determine current and future state of the club, the Nominating Committee conducted live surveys with 49 individuals. These individuals included all current National Staff Members, various past Officers, various past Zone Representatives and members of the National Office. From these surveys it was possible for the Nominating Committee to develop a number of key questions they used to interview candidates for consideration of being added to a proposed slate.

Requests for club members to identify candidates for consideration were distributed by National Staff announcement, e-Brake News, National Website and Panorama starting October 2, 2015 with input accepted thru December 31, 2015. A total of 139 nominations were submitted for the consideration of 54 candidates. Specifically, there were 30 candidates for the 2017-2018 term and 24 for future consideration. All of the 2017-2018 candidates were vetted.

Concurrently, the current Executive Council members were assessed for their performance to-date and if they should be considered to hold an office for the 2017-2018 term. There were 210 live assessments of their performance conducted.

A total of 13 interviews were held in the development of this slate.

The Nominating Committee would like to thank the numerous individuals who have participated in this very extensive and very important process. We appreciate the opportunity to serve PCA and to participate in the selection of the future leaders of our club.

Sincerely,

2016 Nominating Committee
