About This Car

Hello PCA!

For sale by second owner: One of the 727 911 Turbo's manufactured for the U.S in 1977, in special Order Color *266-9-3* Ice Green Metallic on Olive green interior. Since the 70's, this Porsche was owned by the doctor of the Oakland raiders who purchased it new from the Oakland Porsche dealer. The car was always serviced at the same mechanic since the early 90's and spent its entire life in the same garage, under the same owner in Oakland CA until it was acquired by me two years ago and brought down to Southern California. No accidents, with mostly original paint. Original manuals, toolkit etc.

The car underwent an engine swap in 1996. It inherited a low mileage 3.6 964 '93 with 15k miles along with a G-50 transmission. At the same time the car got Brembo brakes. (All documentation available) .

This 930 is perfect for someone who loves the 930 look but appreciates the 3.6/G50 set up. Open to trades or keeping the car and buying the original motor if you know where to source one!
