About This Car

SALE PENDING. 1987 911 Carrera Coupe with power moonroof. Meticulously maintained with only 68,350 miles. Guards Red exterior with Saddle leather interior. 3 owner, California car until I purchased it 4 years ago from a certified Porsche mechanic. Always stored inside (climate control) and only driven on dry roads. Coveted G50 transmission shifts smoothly through all 5 gears. Impeccable thick service history with records supporting the regular care this 911 received. Newer Bilsteins, new battery, and recently fully serviced. No oil leaks or transmission leaks. Exterior paint is in very good condition with a nice fit and finish and believed to be original as confirmed by recent PPI. Belly Pan is perfect. The clutch is in good condition with lots of life remaining. PPI compression test was exceptional and consistent across all cylinders.. #1 192, #2 195, #3 195, #4 192, #5 195, #6 195. Interior condition including the leather, carpeting and dashboard are all excellent . All body parts are original with matching vin tags and no history of any accidents as also confirmed by a clean car fax. This is very nice example of the 1987 Carrera Coupe. Full PPI report from when I purchased is available for serious parties upon request. If you would like more pictures or video to help see the overall condition please email me.
