About This Car

6-speed manual coupe in Seal Gray over Black Full Leather. Very nice paint and exterior condition and excellent leather; exceptional for its mileage. Paint appears original except the front plastic bumpercap was resprayed for cosmetic chips. Maintenance records going back to 1st owner, books and manual set included. BOSE Premium Sound, Cold Weather with Heated Seats, full power seats both sides, sun roof and Xenon Lights packages plus Dension iPod connect added. Maintenance is current and rear main seal was done under warranty some time ago. Rear tires are new and fronts have more than 50% tread. Recent new battery (genuine Porsche), water pump, ignition coils, spark plugs, rear brake pads & rotors (fronts are fine) all replaced. The IMS bearing update (LM Engineering) has been done, AOS and a new clutch also installed at approximately 86K miles. Clean Carfax and clean Utah title.

A joy to drive; I've owned this car for the past 5 years, and put approx. 10K miles on it during that time. Always garaged. 25-year PCA member. For practical purposes I'm the "third" owner, but technically and strictly speaking I'm the 4th. There was a 3rd owner (dealer) who owned the car a short time mainly for the purposes of bringing the car to Utah, and put very few miles on it. Nearly 90 percent of total mileage was split between First owner (Seattle) and Second owner (California).
