Loved and well maintained first gen Cayenne Turbo that's been the perfect combination of performance and utility; great on spirited back road drives, great in the snow and great on long road trips. Owned since 2013. All of the typical repairs/upgrades done in that time. Recent tires, battery, starter, rear hatch hinges and 120k mike service.

Mileage: 121,800

Exterior Color: Silver

Interior Color: Gray
