About This Car

I am the second owner of this AMAZING vehicle which I purchased CPO.

CLEAN CARFAX. NO ACCIDENTS. See picture of first two pages of Carfax report ran as of posting date. Full pdf available if you want to see rest of clean report.

\$107K original build sheet includes Sport Chrono Plus – a must if you want Launch Control and Sport Plus mode. Heated front and rear and VENTILATED front seats. Key in tropical area like mine. And 4S takes off like a madman and handles curves like you are on a rail. Interior makes you feel like a rock star. Super comfortable and well appointed. See option listing for more.

Why am I selling? She has been replaced with a smaller model. Last annual maintenance was November 26, 2019 at 64,387 miles. Yes, only 2k miles driven since last service – so you can consider when and what the next service should be. Tires are like new. Brakes are at about 3mm – so when the light comes on, which it will, you know what to do. Garage kept and well maintained at Porsche dealer. w Clear bra on front for extra protection. I am not aware of ANY mechanical problems, but I encourage you to examine and inspect for yourself.

Cashiers check or wire must clear my bank with no contingencies prior to ownership transfer. Clean title in hand with no lien.
