About This Car

Here is a link to a youtube video the original dealer posted showing the car:
<https://youtu.be/Oa-xdPLZFrQ> The car has 22k miles on it. (I have two other Porsches). The car is in new condition. I have the complete service history/records. There is a Fidelity Platinum warranty from Porsche good until September 25, 2021 I have done the following to the car: 1 Added factory model designation to the rear (it was originally deleted). 2 Added "GTS" decals to the doors. (These are removable) 3 Added a battery maintainer. 4 Installed wiring for a Valentine radar detector. 5 Purchased winter mats. 6 Installed factory carbon fiber interior. 7 Ghost logo lights at all 4 doors It is a great car and I do enjoy driving it, but, in reality I seldom use it. (I am 74 years old, retired and I have owned well over a dozen Porsches) I currently also have a 993 and a Boxster. I live near San Francisco..... Thank you,
