

**2016 Fast Lane Travel Cuba Tour** 

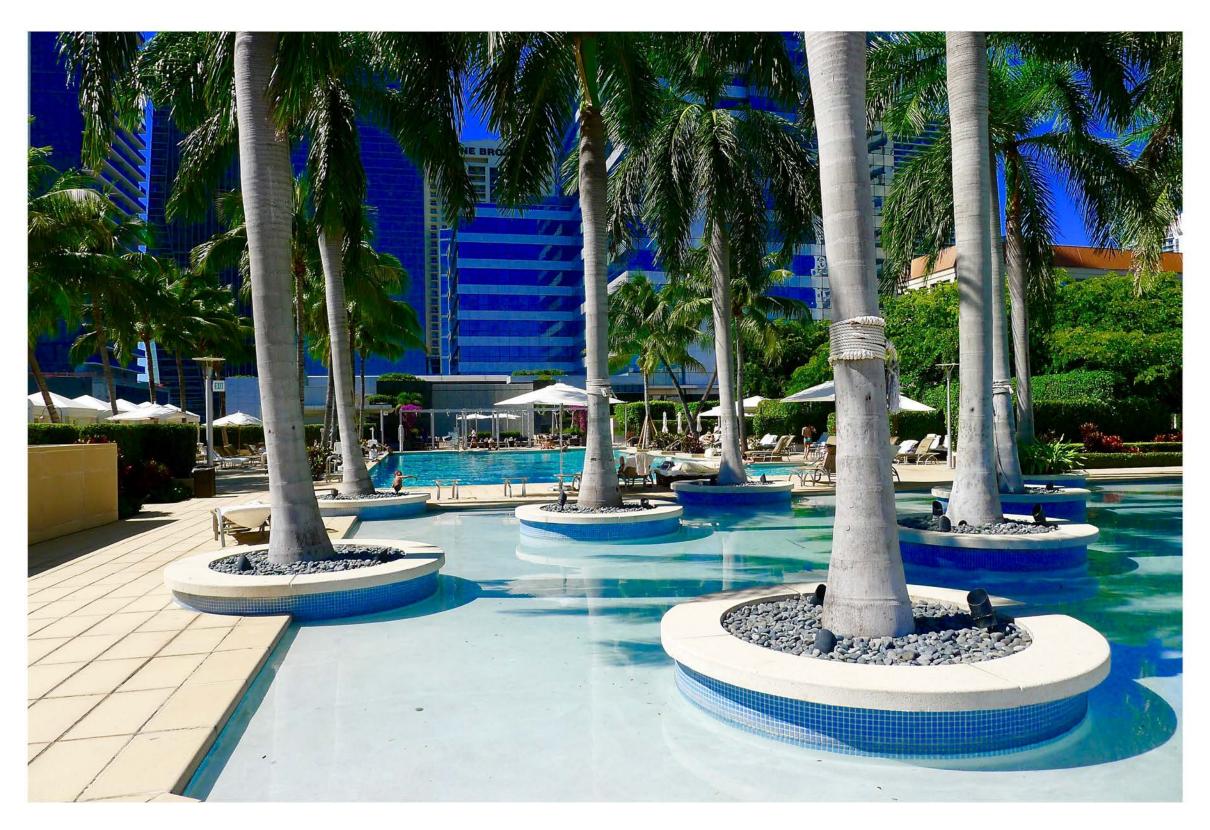

## **About this book**

This book was created for all the friends of Fast Lane Travel, Inc., who participated and enjoyed the First Fast Lane Travel Cuba Trip in the fall of 2016 by Jingsi Cheng Sontag.

Jingsi combed through about 5,000 pictures. The real challenge was to condense this cornucopia of images into the limit of 100 pages. We hope that you appreciate that not every image could be included. We hope you will enjoy the memories and a smile will come to your face when you look at the pages. See you next year!

Mrs. Nidialys Acosta Cabrera La Habana CUBA

Dear Nidialys:

Thank you for your warm welcome to Cuba and for all you did to make my family's visit possible. It was truly an honor to have the opportunity to experience the culture and traditions of the Cuban people first-hand.

My family and I had such a wonderful stay, and we deeply appreciated the kindness you showed each of us. I understand how much hard work goes into planning a trip like this, and I want you to know your efforts did not go unnoticed.

Again, thank you, and I wish you the very best.

Sincerely,

michelle Obama
