

THE MART

The Mart is a free service to PCA members. Visit pca.org to submit your listing, which can be published in *Panorama* or on pca.org—or both. - 1 Sellers must provide a name, city & state, phone number, and email.
- 2 When selling a car, begin the ad with year, model, and body style.
- 3 Each ad is limited to 50 words (plus contact info).
- 4 Items must be Porsches, Porsche parts, or Porsche-oriented products.
- 5 Items must be personal property, not connected with a business enterprise.
- 6 To repeat an ad, it must be resubmitted in complete form.
- 7 All ads are subject to editing or shortening.
- 8 PCA and *Panorama* reserve the right to reject any ads, and are not responsible for any errors, nor do they guarantee compliance with the Regulations of the Federal Trade Commission.

A WORD ABOUT THE MART FROM EDITOR ROB SASS

The Mart is perhaps the greatest collection of single-marque classifieds anywhere. Most readers have probably noticed that it's grown a bit recently. In fact, it's roughly doubled in size over the last two years, effectively outgrowing its space in *Panorama*. The expansion of the Mart is now impacting our ability to deliver the high quality, long-form feature stories that you've come to expect from *Panorama*. In order to continue to provide a quality editorial product while still offering members unlimited use of the Mart, we have made the decision to move Mart parts ads to the Web. Ads for cars will still appear in print in *Panorama*, but after the June 2017 issue, parts ads will be Web-only. As part of this change, we're evaluating a number of potential enhancements to the Mart Web experience that we hope to roll out in the near future. As always, we welcome your input.

Please see PCA.org/mart-parts for ads/wanted/misc.

1987 911 3.2 Carrera Engine \$6,500 OBO

Porsche 1987 911 Carrera Engine. A complete engine in need of a top-end overhaul. The engine runs well but needs valve guides, as it smokes—which is typical for this vintage engine with the softer valve guides.
