A WORD ABOUT THE MART FROM EDITOR ROB SASS

The Mart is perhaps the greatest collection of single-marque classifieds anywhere. Most readers have probably noticed that it's grown a bit recently. In fact, it's roughly doubled in size over the last two years, effectively outgrowing its space in *Panorama*. The expansion of the Mart is now impacting our ability to deliver the high quality, long-form feature stories that you've come to expect from *Panorama*. In order to continue to provide a quality editorial product while still offering members unlimited use of the Mart, we have made the decision to move Mart parts ads to the Web. Ads for cars will still appear in print in *Panorama*, but after the June 2017 issue, parts ads will be Web-only. As part of this change, we're evaluating a number of potential enhancements to the Mart Web experience that we hope to roll out in the near future. As always, we welcome your input.

Please see PCA.org/mart-parts for ads/wanted/misc.
