

LEATT® MRX SAFETY BULLETIN
HEAD & NECK RESTRAINT SYSTEM (HANS) *ONLY*
August 2014

TO: All LEATT MRX Distributors, Dealers and Consumers
FROM: Leatt Corporation, Cape Town, SA
PRODUCT: Leatt MRX Head & Neck Restraint System (HANS) *only*

Leatt Corporation's quality assurance procedures identified a materials flaw in our Head and Neck Restraint System ("MRX") used exclusively in auto racing. The device can crack unexpectedly.

CONSUMER - WHAT TO DO

- **STOP** using your MRX device. No other product is affected.
- **CONTACT** your point of purchase to return your MRX device for a replacement, refund or credit.

DEALER - WHAT TO DO

- **STOP** selling MRX devices. No other product is affected.
- **CONTACT** all MRX device purchasers and communicate the contents of this bulletin.
- **ASK** all MRX device purchasers to return the device to you for a replacement, refund or a credit. No other product is eligible.
- **RETURN** all MRX devices in stock as well as those returned from consumers to your distributor for a credit.

DISTRIBUTOR - WHAT TO DO

- **STOP** selling MRX devices. No other product is affected.
- **CONTACT** all MRX device purchasers and communicate the contents of this bulletin.
- **ASK** all MRX device purchasers to return the brace to you for replacement or, if requested, a refund. No other product is eligible.
- **REMOVE** the Leatt serial number sticker and SFI sticker from all returned MRX devices, as well as MRX devices in your stock, scan the Leatt serial number stickers, and email them to Edith Wolmarans: edith@leatt.com or fax to: +27-21 55 77 381. Attention Edith.
- **DESTROY** all MRX devices returned by dealers and consumer as well as those in your stock by cutting the chassis in half.

WHAT WE DO

- **CREDIT** distributors account for all MRX device serial number stickers returned via email or fax, or
- **SUPPLY** replacement MRX devices as quickly as manufacturing and quality assurance allows. We apologize for the inconvenience, but safety and quality remain our priorities.
